## **Required Training Camp For All Peer Mentors:**

**Peer Mentor Training Camp:** All peer mentors will attend an overnight training camp June 26-30, 2022, with all Project Venture youth from around the country at Larry Creek Campground in Stevensville. They will learn the nuts and bolts of how to assist BEAR staff in leading summer activities and mentor middle school “mentees,” as well as try out some of the summer activities being offered, such as hiking, fishing and kayaking.
